MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Garrison Policy Memorandum #10, Recreational Vehicles in Housing Areas

1. Visiting Recreational Vehicles (RVs), to include camping trailers and motor homes may be parked in housing areas while being used for a period not to exceed 7 (seven) calendar days. They may be parked in either a driveway or overflow parking lot, if there is space available. If the stay is expected to exceed 7 days, commercial facilities off post or RV parking lots on post will be utilized.
2. This permission is conditional, however, meeting the following simple criteria:
  - a. The occupant must have a Housing Division approved Home Improvement Request. This will be prominently displayed on the dash of the driver's side of the vehicle.
  - b. The vehicle may not create a safety hazard; it must be parked in the driveway, without overhanging the sidewalk, driveway apron, curb, or street. It may not be parked in the street while being used.
  - c. Recreational Vehicles that will be lived in while visiting must be self contained. Sewage system will be emptied in an approved dumping station only. Tapping into Family Housing Units for services is not allowed (electric, water, or sewage).
3. Boats, utility trailers, motor homes, recreational vehicles, snowmobiles, etc. may only be parked on the street or in a driveway for the purpose of loading or unloading. They are not to be parked in the driveway, on the street, on a lawn or in overflow lots when not in use; they are to be stored at a commercial facility off post or in one of several Directorate of Morale, Welfare, and Recreation (MWR) lots on the Installation. Eligibility, fees and locations are available through MWR Parks and Recreation, 772-5169.
